**Date of Hearing: July 22, 2013**

**Date of Order: July 30, 2013**

Heard the obligated entities (hereinafter called "the respondents") in the matter of non compliance under UERC (Tariff and Other Terms for Supply of Electricity from Renewable Energy Sources and non-fossil fuel based Co-generating Stations) Regulations, 2010 and UERC (Compliance of Renewable Purchase Obligation) Regulations, 2010 (hereinafter referred to as "REC Regulations").

It is ordered:-

(a) Obligated entities who have not submitted reply to show cause notice dated March 08, 2013

The Commission had issued show cause notices to all the obligated entities who reportedly did not comply with the REC Regulations. However, the notice issued to Respondent no. 1 was received back by the Commission with a remark from the postal department that the same was not accepted by Respondent No. 1. Accordingly, Respondent no. 1 is directed to show cause within 10 days of the date of order as to why the notice was not accepted and returned back. Further, Respondent no. 4 and 13 are required to show cause within 10 days of the date of order as to why no reply was submitted to the notice issued by the Commission. The Commission directs the staff to initiate proceedings under Section 142 of the Act against Respondent nos. 2, 3, 5, 6, 7, 8, 9, 10, 11 and 12 for failing to submit their reply to the notice issued by the Commission and also for the failure to be present during the hearing.

(b) Obligated entities who have shortfall in meeting the renewable purchase obligation

All the Respondents are directed to submit their RPO statements for FY 2010-11 to FY 2012-13 under affidavit within 10 days of the date of order. Further, most of the obligated entities have submitted that they met their RPO for FY 2010-11 to FY 2012-13, by purchasing REC's during FY 2012-13 and even in FY 2013-14 but have not sought Commission's approval for carry forward of the unmet RPO. Such Respondents are also directed to seek approval of the Commission for carry forward of the unmet RPO.

(c) Obligated entities who did not submitted the statement required under UERC (Compliance of Renewable Purchase Obligation) Regulations, 2010 to UREDA.

All the Respondents are also directed to submit under affidavit as to why the reports/statements have not been sent to UREDA within the time frame as specified under UERC (Compliance of Renewable Purchase Obligation) Regulations, 2010, within 10 days of the date of order.
