Date of Hearing: March 15, 2016

Date of Order: March 16, 2016

Heard the Petitioner & Respondent in the matter. As of now a dispute requiring adjudication under Section 86 (1) (f) is not made out. Decided to keep the petition in abeyance. However, the Commission directs both the Petitioner and the Respondent to jointly sit together for monthly reconciliation of the deemed generation claimed by the Petitioner and settle the amount so arrived at within two months time. The Commission also directs UPCL to submit fortnightly progress report of the same before the Commission jointly signed by both the parties failing which the Respondent will render himself liable for action under Section 142 of the Electricity Act, 2003. The Petitioner granted leave to agitate issue, if remaining disputed, after two months.

Ordered accordingly.
