Draft Notification
April 27, 2007

In exercise of the powers conferred under Section 181 of the Electricity Act, 2003 (No. 36 of 2003), and all other powers enabling it in this behalf, the Uttarakhand Electricity Regulatory Commission hereby makes the following amendment to the Order dated 10.11.2005 on Approach to Initial Tariff for Generating Stations with capacity upto 1 MW, namely:-

The following Para shall be inserted after Para 6 of the original Order dated 10.11.2005:

7. The options given in Para 6 shall also be available to hydro generating stations with capacity upto 5 MW for sale of electricity generated from such stations.
