No. F-9(22)(I)/RG/UERC/2014/1694: In exercise of powers conferred under section 181 read with Section 43, 45, 46 & 57 of the Electricity Act, 2003, and all other powers enabling it in this behalf, and after previous publication, the Uttarakhand Electricity Regulatory Commission hereby makes the following amendments in the UERC (Release of New HT & EHT Connections, Enhancement and Reduction of Loads) Regulations, 2008 (Principal Regulations) namely: -

1. Short Title, Commencement and Interpretation

- (1) These Regulations may be called the UERC (Release of New HT & EHT Connections, Enhancement and Reduction of Loads) (First Amendment) Regulations, 2014.
- (2) These Regulations shall come into force from the date of notification in the official gazette.

2. In Regulation 3(3) of the Principal Regulations:

After 2nd proviso of Sub-Regulation 3 of Regulation 3 of the Principal Regulations, following proviso shall be added, namely:

"Provided further that existing Steel Units described in 2nd proviso and who have connection at 11 kV shall be permitted to enhance their load so that their contracted load after such enhancement does not exceed 1000 KVA."

3. In Regulation 9(1) of the Principal Regulations:

Sub-Regulation 1 of Regulation 9 of the Principal Regulations shall be substituted by the following:

"Consumer can enhance their contracted load anytime, however, reduction of contracted load shall be permitted only once in a financial year."

4. In Regulation 9(6) of the Principal Regulations:

After Sub-Regulation 6 of Regulation 9 of the Principal Regulations, following provisos shall be added, namely:

"Provided that the work charges for dismantling old terminal equipment and installing new equipment in case of enhancement of contracted load as specified in Regulation 9(5) or reduction of contracted load shall be payable based on the estimated cost of new equipment and labour charges which shall be equal to 10% of the cost of new equipment subject to a maximum of the charges specified for all equipment in Table-1 and such charges shall be reduced by the depreciated cost of the equipment removed, if their cost has been borne by the consumer and they are re-usable by licensee.

Provided that depreciated cost of the equipment removed shall be taken as indicated in the latest audited account of the licensee.

Provided further that the adjustment for these charges shall be done in the demand note to be issued as per Regulation 5(10)".
