Bid Details

1. Last date and time for submission of Bidding Documents is **30/01/2014** upto **15.00 Hrs.**
2. Date and Time of Bid Opening: **30/01/2014** at **16.00 Hrs.** (or next working day in case of holiday).
3. Place of opening of Bids: **Uttarakhand Electricity Regulatory Commission, "Vidyut Niyamak Bhawan", Near ISBT, P.O.-Majra, Dehradun- 248171.**
4. Address for communication: **Secretary, Uttarakhand Electricity Regulatory Commission, "Vidyut Niyamak Bhawan", Near ISBT, P.O.-Majra, Dehradun-248171.**
5. Tel: **0135-2641119**
6. Fax : **0135-2641314**

Note: Bids will be opened in presence of the bidders or their representative who wish to attend.

1. EXAMINATION OF BIDS DOCUMENTS

The Bidder is expected to examine all instructions, forms, terms and conditions and specifications in the Bidding Documents. Failure to furnish all information required by the Bidding Documents in every respect will be at the Bidder's risk and may result in the rejection of its bid.

2. PERIOD OF VALIDITY

Bids shall remain valid for One Year after the starting date of CAMC awarded to selected bidder subsequent to bid opening as prescribed by the UERC. A bid valid for shorter period shall be rejected by UERC as non-responsive.

3. EARNEST MONEY DEPOSIT (EMD)

The EMD of Rs. 5000.00 shall be deposited with Tender documents in the form of FDR/CDR of scheduled bank in favour of Secretary, UERC, Dehradun. Unsuccessful bidder's EMD will be refunded within 30 days after the selection of L1. EMD of successful bidder shall be returned not later than 30 days after the Agreement is signed. The tenders not having prescribed earnest money will not be considered and shall be summarily rejected.

4. PROCESS FOR SUBMISSION OF BID

Bids are to be submitted in 02 sealed envelopes. First envelope should be super-scribed as "EMD" and comprising following:

1. **EMD of Rs 5000.00.**
2. **Filled Annexure-A.**
3. **Filled Form-A.**
4. **Filled Form-B.**
5. **Any required supporting documents.**

Second envelope should be super-scribed as "CAMC Rates" comprising filled Annexure-B.

Each page and correction of the bid should be duly signed by the bidders as specified in the information and instruction to the bidders.

The bid shall be typed or written in indelible ink and shall be signed by the bidder or a person duly authorized to bind the bidder to the contract. The authorization shall be indicated by written power of attorney accompanying the Bid. The person or persons signing the bid shall initial all pages of the bid.

The bid shall contain no interlineations, erasures or over-writing except as necessary to correct errors made by the Bidder, in which case such corrections shall be initialed by the person or persons signing the bid. The bidder should quote the price for CAMC of each item required by the UERC.

5. **RIGHT TO ACCEPT OR REJECT ANY BID OR ALL BIDS**

The UERC reserves the right to accept or reject any bid or the bidding process or even reject all bids at any time prior to award of contract, without thereby incurring any liability to the affected bidder or bidders or without any obligation to inform the affected bidder. The UERC reserves the right to accept or reject any bid or all bids without assigning any reason thereof. Decision of the UERC in this regard shall be final and binding on the bidders.

6. **INSTRUCTIONS TO BIDDER**

The bid should contain the prescribed information and the same should be signed as laid down hereunder:

- (a) If the bid is submitted by a firm of partnership, it shall be signed by all the partners of the firm with their full names and current business address, or by partner holding the power of attorney for the firm for signing the bid in which case a certified copy of the partnership deed and current business address of all the partners of the firm shall also accompany the bid. **If the bid is submitted by a company, it shall be signed by a authorized person who should be authorized by way of resolution of the company as per rules and copy of resolution should be annexed with bid in token of power of attorney for signing office bid by the authorized person on behalf of the Company.**
- (b) The bidder is to submit relevant documents/papers in support of their declarations/confirmations as indicated in Form-A & B as well as Pre-qualification of bidders and as listed in Annexure-A duly filled and signed by the bidder.
- (c) Bidders must submit CAMC rate as per Annexure-B. Quotes for each item in the group should be submitted & no item should be left out or deleted, failing which tender will be treated as incomplete & rejected.
- (d) Bidders have to execute the CAMC Agreement with the UERC without any exception.
- (e) The quantities of various items mentioned in Annexure-B are indicative and there could be variations with the actual numbers.
- (f) Successful bidder shall deposit an amount equal to 10% of contracted value in shape of FDR/CDR/ Bank Guarantee of scheduled bank duly pledged in the name of Secretary, UERC, at the time of executing the agreement with UERC which shall be released after satisfactory completion of Contract.

Total contract value with 08 hours Resident Engineer stay in UERC (Rs.)						

Signature & Seal of Bidder

(Terms and Conditions to provide Comprehensive Maintenance Contract of PC based systems / peripherals installed at UERC / Camp Offices. etc.)

1.0 SCOPE OF WORK UNDER SERVICES THROUGH RESIDENT ENGINEER (RE)

- 1.a.1 The scope of work includes comprehensive maintenance of the equipments indicated in Annexure-B as well as full system software support necessary for running the system in satisfactory condition and technical support on all the standard software packages which are already loaded or which may be loaded in future on the machines.
- 1.a.2 RE shall stay in the either Commission or camp offices or officers' residence minimum 8 hours in a day (09:30 A.M. to 6:00 P.M. including 30 minutes lunch time) to rectify the complaints recorded in the Complaint Register by UERC staff. In case of delay in rectification of complaint, the reason for delay should be written in the Complaint Register by RE. At the time of urgent requirement, RE shall be available beyond abovementioned hours or weekends.
- 1.a.3 In case of absence of RE in a particular day, vendor should arrange for immediate replacement of RE.
- 1.a.4 Since the contract is for providing the services on a comprehensive basis, the agreed contract amount shall include the cost of repair/replacements of all the components, assemblies, boards, complete HDD drive units, monitors, SMPS, motherboards, CRTs, keyboards, mouse, Power adapters, printer mechanical parts, motors, tractor of assembly, serial interface or any other PCB, interface cables etc forming a part of the equipment detailed at Annexure-B, but does not include consumable item like printer cartridges, cassettes etc.
- 1.a.5 Apart from carrying out the corrective maintenance as and when required the RE shall intensively run and check the system software and the media and carry out preventive maintenance on the complete hardware so as to ensure continued smooth functioning of the equipment on a quarterly basis.
- 1.a.6 The firm will be responsible for maintaining U.E.R.C. site as Virus free by downloading the upgrade patches of the Anti Virus as procured by UERC and running it over the network to effectively remove virus and its malicious allies. The firm shall be responsible for loss of any software, hardware or data or any damage thereto or any loss caused due to

- Virus and its malicious allies
- Mishandling of software & hardware by RE or its substitute.

In case of above mentioned loss or damage, the firm shall replace the damaged part or the software with new and compatible parts or software as the case may be and put them in functional state. In case of any loss or damage to the data the firm shall retrieve the lost or damaged data or have it retrieved at its own cost and put in functional stage as it was before such damage or loss occurred. In case of failure, the firm shall compensate the Commission for any such loss and pay the expenses which the Commission may incur on getting the loss or damage repaired or replaced on putting the data in its functional state.

- 1.a.7 RE shall take Data backup of File Server on secondary storage/external HDD/CDs/ DVDs.
- 1.a.8 To make network/LAN functional, RE shall provide prompt Network support.
- 1.a.9 RE shall maintain adequate stock of items and its parts mentioned in Annexure-B to provide immediate standby arrangement. In case of any major fault/repair identified by RE and requiring more time, the RE must replace the faulty equipment by standby stock of similar configuration and quality and make it operative as original.
- 1.a.10 The RE shall maintain the confidentiality of all the data/ information stored in the Commission's systems. In case of failure, the UERC has right to take legal action against the firm and RE.
- 1.a.11 Systems (HCL)/MFPs (Toshiba & Ricoh)/Devices/Centralized Backup systems which already been maintained by third party (ies), the RE shall give First level support with co-ordination with 3rd party (ies) till call resolution.
- 1.a.12 Keeping users informed of their complaint status and progress.

2.0 PENALTY

- 2.1 Considering that the firm shall give high level of priority for the maintenance work the faulty equipment shall be attended to and make it operational immediately latest within the next working day. However, in case the firm is not able to set right the equipment or any part thereof within two working days of lodging the call, excluding the date of lodging of the call, then the firm shall be liable to pay a penalty equal to 0.5% of the monthly payment for each working day subject to maximum of 10% of contracted value. For the purpose of reckoning the days UERC's working day shall be counted as the working day.
- 2.2 Preventive maintenance shall be responsibility of the firm if the firm fails to carry out the preventive maintenance of the equipment as per agreed schedule, then the firm shall be liable to pay Rs. 1000/- for each such default.
- 2.3 In case of services under RE, penalty of Rs. 250/- shall be levied for the absence of RE for every working day.
- 2.4 Penalty shall be deducted from the running payments.

3.0 PAYMENT

- 3.1 The payment to the firms shall be made on quarterly basis in four installments after completion of every three-month period and after submission of the bills by the firm. The payment would be made after deduction of income tax etc at the prescribed rates within 30 days.
- 3.2 In case, UERC desires to have replacement/addition for an item which does not form part of the free replacement items as described under para 1.a.4 above the same shall also be replaced for which no extra cost shall be given on account of the skill/services rendered for replacement of such items.

4.0 FACILITIES TO BE GIVEN BY UERC

UERC shall give the firm full access to the equipment, the requisite tools and testing equipment, manuals of the machines/ circuit diagrams/ maintenance

manuals etc required for such maintenance shall have to be brought by the firm's Engineer. UERC shall provide suitable working space and necessary facilities to the firm's Engineer to carry out the maintenance work.

5.0 MISCELLANEOUS

- 5.1 The firm shall take due precautions to ensure that no fault is caused due to negligence or faulty workmanship by their personnel. In the event of a fault caused in any equipment due to this reason, the firm would repair the faulty equipment at its own cost.
- 5.2 If the performance of the firm is found to be unsatisfactory by UERC, then UERC reserves the right to cancel the contract at any time. In such case the amount of security deposited by the firm shall be forfeited.
- 5.3 With regard to dispute relating to any clause of the contract, the decision of Secretary, UERC shall be final and the same shall be acceptable to the firm.
- 5.4 Vendor shall not sublet the contract or permit anyone other than the company personnel to perform any of the services required by the vendor.
- 5.5 The contract shall initially be for a period of one year and extendable on the basis of performance of part duration.
- 5.6 Schedule of preventive maintenance shall be as follows:-
 - i) Cleaning of all equipment using dry vacuum air, brush soft muslin clothes.
 - ii) Running of test programmes to ensure quality print/ date reliability.
 - iii) Checking of power supply source of proper grounding and safety of equipment.
 - iv) Ensuring that the covers, screws, switches etc. are firmly fastened in respect of each equipment.
 - v) Shifting of equipment as and when required.
 - vi) Running of diagnostic software for system performance.
