Sub: Quotation for the supply of 03 Nos., 10 kVA on line UPS system

Dear sirs,

With reference to the subject cited above this is to inform you that we require 03 Nos. 10 kVA, on-line UPS system for our office as per following details:-

<i>Sl.No</i>	<i>Description</i>	<i>Specifications</i>	<i>Qty</i>
1.	Supply, testing and commissioning of On-Line UPS with isolation transformer suitable for single phase AC input and single phase AC output Floor Mounted Type Rating of UPS: 10 kVA, Back up time: 60 minutes, 120 minutes Battery Bank: Exide make, SMF batteries	As per technical specifications in RFP enclosed herewith	03

You are requested to submit the sealed quotation in TWO PARTS as per enclosed "Request for Proposal"(RFP) clearly super-scribing Part-I(Technical Bid) and Part-II(Price Bid) on two separate envelopes. The envelope super-scribing Part I (Technical Bid) should contain the requisite documents as per RFP e.g. technical specifications of the offered product, Authorization certificate from the manufacturer (in case of dealer), acceptance of terms & conditions and other relevant information desired in the RFP and Part-II (Price Bid) should strictly contain duly filled price bid only in the annexed format.

Tender without Earnest Money Deposit of Rs. 15000/- in form of TDR/FDR, valid authorization certificate and other requisite documents shall not be considered at all and Part-II(Price Bid) of the same shall not be opened.

The last date of submission of the sealed tender shall be 24-12-08 upto 3:00PM and the Technical bids of tenders shall be opened on the same day at 3:30PM. Date of opening of the Financial Bids will be 29-12-08 at 3:00PM.

Thanking you

Yours sincerely

(Pankaj Prakash)
Secretary

REQUEST FOR PROPOSAL (RFP)

**Supply, Installation and Commissioning of 03Nos. On-Line
Uninterrupted Power Supply (UPS) Systems for Uttarakhand
Electricity Regulatory Commission, Dehradun.**

UTTARAKHAND ELECTRICITY REGULATORY COMMISSION

1st Floor, Institutions of Engineers (I) Building, Near ISBT, Dehradun- 248 001

PH. 0135-2641119 FAX- 2641314

Website: www.uerc.in

Request for Proposal for supply, installation and commissioning of 03 Nos. On-line Uninterrupted Power Supply (UPS) Systems

UERC invites sealed Tenders for supply, installation and commissioning of On Line Uninterrupted Power Supply (UPS) Systems as per specifications, terms & conditions given in enclosed forms for technical and financial bids.

The requirements for each UPS are as follows:

- 1) 03 quantity of 10 KVA On Line UPS Systems as per specifications mentioned in Form-G
- 2) Batteries for the above.

Installation location/ Area/Space: UERC office, near ISBT, Dehradun, 5x5 feet space for all 03 UPSs and batteries on ground floor of the Commission office location.

Only those vendors who fulfill the following pre-qualification criteria are eligible to Bid:

1. The bidder should be a manufacturer of the equipments or as an authorized channel partner/ authorized dealer for the above equipments during the last 2 years & the partnership/authorization is in force for the year 2008-09 (enclose copy of letter from (OEM) as per enclosed format, if the bidder is channel partner or dealer) and should have executed contracts for supply, installation and commissioning of **On line Uninterrupted Power Supply Systems (the equipments for which the tender is submitted)** for government/public undertakings /private sector during the last two years. Copies of Major Contracts executed during the last one/two years for the **Equipments for which the tender is submitted** should be enclosed.
2. The Annual Sales Turnover shall not be less than Rs. 2 Crores for the last 3 years.
3. The bidder shall be having office(s)/service centre(s) at Dehradun for providing the after sales services during warranty or in AMC after warranty, either directly or through their authorized representatives or through their OEM representatives at Dehradun.
4. The bids submitted by the Original Equipment Manufacturers will be preferred over the Bids submitted by Channel Partners/ Authorized Dealers for similar equipments.
5. If the bid is submitted by an Authorised Dealer/ Channel Partner, the Original Equipment Manufacturer (OEM) shall certify that the dealership/ channel partnership arrangement with the bidder is in force for the last two years and is valid for the current year. Also, the Original Equipment Manufacturer (OEM) shall also submit a letter through the authorized dealer/ channel partner, participating in the tender process, that they shall honor the warranty/ Annual Maintenance contract commitments independent of continuation of the dealership/ channel partner arrangement with the authorized dealer/ channel partner. (Enclose copy of letter from OEM as per enclosed format, if the bidder is channel partner or dealer).

6. The bidders having quality certification under ISO or BIS may be preferred.
7. The Product offered (Models of the above equipments) shall have been deployed in the market. Quality/ Performance/ Benchmark Certifications for the products offered, if any, shall be submitted.
8. The bidder/ OEM shall provide an undertaking that the Model offered & empanelled will be available & supplied during the currency of the empanelment.
9. The successful bidder shall provide a performance bank guarantee equal to 10% of the contract amount for a period of warranty or guarantee which shall be effective from the date of commissioning.

The offer shall be submitted in separate sealed cover for Technical and Financial offer. The Covers should be super-scribed with the headings “**Technical offer for supply, installation and commissioning of On-line Uninterrupted Power Supply Systems**” for Technical Bid documents and “**Financial bid for supply, installation and commissioning of On-line Uninterrupted Power Supply Systems**” for financial Bid documents.

The envelope containing **Technical Offer** should include bidders Profile (as per enclosed format). Relevant Technical Bid Form and **Standard** Printed Technical Literature/Brochure about the Product, Quality certifications for the Products and documents supporting above eligibility requirements etc., for the bid along with the *Earnest Money Deposit of Rs. 15000/- in the form of TDR/FDR pledged in favour of Secretary, Uttarakhand Electricity Regulatory Commission, Dehradun.*

Offers, without the requisite amount of Earnest Money Deposit shall not be considered at all and the price bid of the same shall not be opened.

The envelope containing **Financial Offer** should include *only* the price quote for the product offered as per the format enclosed. **Please note that no information other than the information called for should be furnished along with this offer.**

The sealed covers containing the **Technical and Financial** offers shall in turn be put in a sealed outer envelope to be super-scribed “**Technical and Financial offers for supply, installation and commissioning of On-line Uninterrupted Power Supply Systems**”.

Please note the following points while submitting your offers.

1. The offers shall be made strictly as per the formats enclosed.
2. The Bidder shall bear all the costs associated with the preparation of the documents, submission of its bid and UERC will in no case be responsible or liable for these costs, regardless of the conduct or outcome of the bidding process.
3. The bid shall be typed or written in indelible ink and shall be signed by the Bidder or a person duly authorized to bind the bidder to the contract.
4. The bid shall contain no interlineations, erasures or over writing except as necessary to correct errors made by the Bidder. In which case the person or persons signing the bid shall initial such corrections.

5. The Bidder is expected to examine all instructions, forms, terms and conditions and technical specifications in the Bidding Documents. Failure to furnish all information required by the Bidding Documents or submission of a bid not substantially responsive to the Bidding Documents in every respect will be at the Bidder's risk and may result in the rejection of its bid.
6. The Bidder is expected to examine the configurations given in the technical bids and provide compliances, duly providing correct configurations for which the tender is called for.
7. The bidder having quality certification & other certifications, for their operations, may be preferred. Also, the products having respective quality certifications will be preferred.
8. The bidder should be in this line of activity during the last two years and should have executed similar projects for supply, installation and commissioning of Uninterrupted Power Supply Systems in government/ private sector / government undertakings.
9. The Models offered should strictly conform to the specifications given in the product literature and these models should be supported for a minimum period of 4 years after expiry of warranty period. **The Models proposed/ marked for withdrawal from the market and the models under quality testing should not be offered.** UERC shall reserve right to ask for **PROOF OF CONCEPT** on working of the newly introduced Models in the market.
10. When the configuration/ feature required is not available in a particular model, the next available higher configuration model shall be offered.
11. In addition to the above, if any additional/ enhanced configuration is suggested in view of technological changes, it may be furnished as optional feature with/without cost duly explaining the additional utility of the offered model in both the technical offer document as well as Financial Offer document. However, the basic quote should be confined only to the configuration/ model offered.
12. Two or more models can be offered, if they conform to the technical specifications given. However, the vendor shall **offer only one main option for bid evaluation** out of the models offered and the **same shall be mentioned on the MODEL OFFERED.** Vendor may offer alternate options for consideration of the UERC, if required. However, **Vendor shall be able to offer the alternate model at the same rate and terms & conditions of model offered as Main Option.**
13. The diagnostic features available in the system, if any, may be furnished.
14. Time required for supply and installing the Products at our office shall be within 6 weeks from the date of Commission's supply order.
15. Products shall be supplied in a ready to use condition along with all Cables, Connectors, mounting arrangements, Software Drivers, Manuals and Media etc.
16. UERC may call for any clarifications/ additional particulars required, if any, on the technical bids submitted by the bidder. The bidder has to submit the clarifications/

additional particulars in writing within the specified date and time. The bidder's offer will be disqualified, if the clarifications/ additional particulars sought are not submitted within the specified date and time. UERC reserves right to call for a presentation on the features etc., from the short listed vendors based on the technical bids submitted to make an evaluation.

17. The Financial Bids of the technically qualified bidders will only be considered.

18. UERC reserves right to:

- Reject one or all tenders/offers without assigning any reason thereof.
- Call for Fresh tenders at any point of time.
- Split the order at any point of time.

19. The bidder should comply with the following terms & conditions with respect to the financial Bids enclosed and note:

(a) The pricing structure should be furnished strictly as per our format.

(b) The quoted price should be firm and F.O.R. at Commission's Office including all kind of taxes and duties, Packing, Freight and Forwarding, Transit Insurance, Local transportation, installation, testing & commissioning charges, Technical Service Charges (i.e. including Excise Duty, Sales Tax, service tax, VAT or any other applicable duties and taxes, completing the Road permit formalities, if required, **Installation** and warranty period charges. The total price shall also include Technical/User Manuals, Driver/ Utility Compact Disk).

(c) **No advance will be paid** against the Purchase Order. 90% of the cost of the equipment will be paid against proof of delivery of equipment and successful commissioning at the site and the final 10% against production of performance Bank Guarantee (BG) from any nationalized bank of equal amount for the period of warranty plus one month. **UERC will not consider any other payment terms even if it is mentioned in the offer letter.**

(d) The prices quoted shall be valid for a minimum period of **120 Days from the last date for submission of offers and applicable for the quantity projected for procurement by the UERC.**

(e) The time of completion of supply along with installation, testing and commissioning shall be 6 weeks from the date of issuance of Commission's order failing which a penalty @ 0.5% per week subject a maximum of 10% shall be deducted from the bills of the supplier. UERC reserves right to cancel the Purchase Order if not executed as per terms of offer under this tender and shall forfeit the Earnest Money Deposited.

(f) The Product shall carry **minimum 12 months Comprehensive on-site warranty covering total equipment from the date of installation.** The SMF Batteries shall carry **minimum 12 months Comprehensive on-site warranty from the date of installation. Warranty terms & conditions shall cover the total equipment, including spare replacements with maintenance (Minimum 09:00 AM to 6:00 PM,**

Mon. to Sat. support) by FAX, email, telephone and on site support, if any required. Warranty terms shall also cover the task of configuring/re-configuring so as to ensure that downtime will not more than 2 hours and the circuits, cables, switches, connectors integrating with the other hardware procured by the UERC and any other related tasks. In the case of authorized/ channel partners, Warranty shall also include the cost for the back to back arrangement with OEM for maintenance of spares, providing support services, updates, if any required. Terms of Service Level Agreement, if any, are to be specified. Besides general warranty support, critical support details should be furnished. The successful bidder shall be agreeable to enter into Service Level Agreement with the UERC covering Warranty & AMC terms and conditions. Besides the above, the bidder shall extend the warranty terms & conditions, if any available by default or extended by OEM, with the product from OEM.

(g) AMC charges (Comprehensive On-site inclusive of all taxes as on date) for the product should be clearly mentioned for providing AMC support after expiry of warranty period. Bank Guarantee equal to appropriate amount forwards AMC charges to be paid in advance shall be payable for the period for which the advance relates. Annual maintenance contract terms & conditions shall cover the total equipment including spare replacements (except SMF Batteries) with maintenance (Minimum 09:00 AM to 6:00 PM, Mon. to Sat. support) by FAX, email, telephone and on site support, if any so as to ensure that downtime not more than 2 hours. Annual maintenance Contract terms shall also cover the task of configuring/re-configuring hardware/software resources and integrating with the other hardware procured by the UERC and any other related tasks. In the case of authorized/ channel partners, AMC shall also include the cost for the back to back arrangement with OEM for maintenance of spares, providing support services, updates (if any required). Please also note that AMC amount quoted shall not be considered at the time of finalization of L1.

(h) UERC reserves right to get the equipments inspected by their officials or any other authorized representative before the equipments are actually shipped or on-site.

(g) The BG will be returned after due performance of the supply contract/expired AMC or BG will be invoked if the bidder fails to perform the contract.

20. No columns of the tender should be left blank. Offers with insufficient information and Offers, which do not strictly comply with the stipulations given above, are liable to be rejected.
21. UERC may accept or reject, in full or in part, any or all the offers, without assigning any reason whatsoever.
22. UERC reserves right to procure different equipments/ components from various vendors depending on its requirement and vendor shall co-ordinate with other vendors for integrating the components with the equipment procured from them.
23. Vendors shall indemnify, protect UERC against all claims, losses, costs, damages, expenses, action suits and other proceedings, resulting from Infringement of any

- Patent, trademarks, copyrights, agency/dealership etc., or such other statutory infringements in respect of the entire hardware/software supplied by the vendor.
24. If the supplied system will not work properly during warranty/guarantee period, the same shall be replaced with a new system immediately to avoid interruption in official working.
 25. The Bidders can quote for all the equipments mentioned or for any specific equipment/s. However, the same shall be mentioned on the top of the sealed covers.
 26. The bidders shall submit an undertaking that all the components used in the equipments shall be original make as per the technical specifications submitted and the hardware/software shall be supplied with the authorized license certificates in the name of the UERC. If found contrary, the supplier shall replace the component/equipment with the original ones at their own cost and in such instances, UERC reserves right to levy penalty for the lapses.
 27. Any disputes will be subject to the jurisdiction of Distt. Courts Dehradun.
 28. The bidders shall provide the following services in addition to the above:
 - (a) Configuring the equipments / loading the Device Drivers compatible with operating system as per the specific requirements of the UERC.
 - (b) Configuring Hardware & Software, Loading of system software, Device configuration as per the requirement of the UERC.
 - (c) Integrating the equipments with the LAN/WAN infrastructure and other peripherals/ equipments purchased from different vendors in co-ordination with them.
 - (d) Assisting the UERC's authorized representatives for undertaking the inspection at their factory/ on site as per the UERC's instructions, if required by UERC.
 29. **IMPORTANT:** The Bid shall be submitted with following documents in the same sequence without which the tender will be summarily rejected. **All the pages in the respective bids should be serially numbered.**
