3. SLDC's comments on the response / suggestion received from Dr V K Garg, Chairman, SAFEEdon Petition for True-Up for FY 2015-16, Annual Performance Review for FY 2016-17 & Revised ARR for FY 2017-18 by State Load Dispatch Centre, Dehradun

S. No.	Objections/Comments/Suggestions	Response
1.	Should SLDC not be independent of Transco?	It is hereby submitted that the expenses incurred under SLDC are not reflected in the ARR of PTCUL since the same has been reduced from the overall ARR, as detailed in the petition.
2	Availability of the proposal on site does not justify their reasonableness	It is hereby submitted that it is an established practice to get the investment approval for all major projects from the Hon'ble commission which is only given post detailed technical and financial appraisal.
3	Interest rates have declined during 2015-16 & 2016-17...capex items they have been deployed?	It is hereby submitted that the Petitioner is committed to providing the most efficient and economical service to its consumers and that it is an established practice to avail only the most economical loans. It is also submitted that the credit rating of the Petitioner has improved over the years, which is a proof of reliability and efficiency, and consequently the interest rates applicable for the Petitioner have also gone down compared to previous years. The complete details of the loans availed by the Petitioner have also been submitted to the Hon'ble Commission.
4	Why the interest rate on WC should double...	It is hereby submitted that the interest on working capital has been computed on normative basis as per the UERC (Terms and Conditions of Multi-year Tariff) Regulations, 2015.
5	O&M expenses upto 9 Crs is understandable...	It is hereby submitted that the O&M expenses claimed for FY 2015-16 is Rs 5.68 Crore. For the years FY 2016-17 and FY 2017-18, the O&M expenses have been computed on normative basis as per the UERC (Terms and Conditions of Multi-year Tariff) Regulations, 2015.
