In the order dated 29-03-2017 from Hon'ble UERC, clarification to the observation from Hon'ble UERC on request from UJVNL for allowing expenditure on 3 multi storied residential buildings in Dehradun as capital expenditure is as follows:

The proposal for construction of three Multi-storey Residential Buildings was prepared and DPR of these Multi-storey residential buildings was submitted in the 82<sup>nd</sup> BoD meeting held on 29-03-2017. The BoD has given the approval for construction of Three Multi-storey residential building in Yamuna colony Dehradun. Copy of the relevant pages of the minutes of Board meeting is enclosed (Annexure 1). The relevant content of the Board approval is reproduced as below:

1. Administrative approval for DPR for the construction of 3+1 BHK Multi Storey Residential Building at Yamuna Colony for Executive Officers at DGM and above level amounting to Rs. 2205.68 Lac excluding IDC and Rs. ~~24406.40~~ <sup>2406.40</sup> Lac with IDC.
2. Administrative approval for DPR for the construction of 3 BHK Multi Storey Residential Building at Yamuna Colony for EE/AE level amounting to Rs. 1604.73 Lac excluding IDC and Rs. 1750.76 Lac with IDC.
3. Administrative approval for DPR for the construction of 2 BHK Multi Storey Residential Building at Yamuna Colony for Type-III staff amounting to Rs. 1277.10 lac excluding IDC and Rs. 1393.32 Lac with IDC.
4. Submission of DPR of all three Multi Storey Residential Building to UERC for its approval as capital investment and thereafter execution of each building separately after necessary funding arrangements from financial institutions after approval from UERC.

Cost-Benefit analysis has also been desired by the Hon'ble UERC. A detailed study was done on the basis of following and cost benefit ratio has been worked out.

1. Rules for company leased residential accommodation for executives of THDC Ltd. (Annexure 2) has been adopted for comparison/analysis as no provision exists in UJVNL for leased accommodation and THDC is also from hydro power sector with power projects in Uttarakhand.
2. The current analysis has been done on the basis of HRA rates of 6<sup>th</sup> pay commission which are deemed to be increased in future, hence increasing the cost benefit ratio even more.
3. The cost benefit ratio comes out to be 3.00 (Annexure-3) which clarifies that the project is very good and the proposed expenditure economically feasible. Further in addition to above, these residences will provide a healthy and safe living environment to the employees thereby adding to their performance and hence increasing performance of the corporation as a whole. Further officers and staff

Director (Finance)  
UJVN Limited

working at remote locations will also be given accommodation in Dehradun on requirement for medical and educational needs of their families. This will motivate officers and employees posted at remote locations.

In view of above, it is clear that, the construction of 03 Multi-storey Residential buildings for UJVN Ltd. Officers and staff in Yamuna colony is beneficial in terms of economic analysis as well as will result in better performance of the Nigam. It is therefore requested to kindly grant approval for capital investment of three Multi-storey Residential Buildings for which DPR has been submitted and UJVNL Board has also accorded approval.
