ORDER

This Order relates to the Petition filed by Uttarakhand Power Corporation Limited (hereinafter referred to as "UPCL" or "the Petitioner" or "the licensee") seeking amendment in the UERC (The Electricity Supply Code) Regulations, 2007. The said Petition has been filed by UPCL under Section 181(2)(x) & Section 50 of the Electricity Act, 2003.

Since, the process of drafting a new broader UERC (The Electricity Supply Code) Regulations encompassing the existing 3 sets of regulations namely UERC (The Electricity Supply Code) Regulations, 2007, UERC (Release of new LT Connections, Enhancement and Reduction of Loads) Regulations, 2013 and UERC (Release of new HT & EHT Connections, Enhancement and Reduction of Loads) Regulations, 2008, under the aforesaid provisions of the Act has already been

initiated by the Commission and the same is under progress. Further, the proposals made in the said Petition and the issues highlighted therein constitute, *inter alia*, the subject matter which this ongoing exercise of review of the existing UERC Regulations deals with.

In light of the above, the Commission hereby directs its staff concerned to prepare a draft of the proposed more comprehensive and broader UERC (The Electricity Supply Code) Regulations duly analysing the issues raised in the said Petition besides addressing other issues which have been represented to the Commission from time to time in the past with regard to the above Regulations.

Ordered accordingly.
