Date: 05th July, 2007**CORRIGENDUM**

In Commission's Order dated June 20, 2007 in the matter of Re-determination of tariff for PIIUs as per directions of Hon'ble Appellate Tribunal for Electricity in their order dated 23.05.2007 in Appeal No. 269 of 2006 and Appeal No. 12 of 2007, due to typographical error the Minimum Charges in the last row of Table 2 at page 2 have inadvertently appeared as 600 instead of 650. The Table 2 alongwith footnote thereto in the said order, therefore, stands replaced by the following:

Table 2

Component of Tariff	01.09.04 to 31.03.05		01.04.05 to 31.03.06		
	Tariff Charged	Re-determined Tariff	Tariff Charged	Re-determined Tariff	
Demand Charges (Rs./kVA/month)	350	350	350	350	
Energy Charges (Rs./kVAh)	Load Factor*				
	0-33%	1.75	1.40	1.90	1.53
	>33% Upto 50%	2.05	1.70	2.20	1.83
	Above 50%	2.35	2.00	2.50	2.13
Minimum Charges (Rs./kVA of the Contracted Demand/month)	650	650	650	650	

* For tariff purposes Load Factor (%) would be deemed to be =

$$\frac{\text{Consumption during the billing period}}{\text{Maximum Demand or Contracted Demand whichever is less} \times \text{No. of hours in the billing period}} \times 100$$

By Order of the Commission
